A FILM BY YORGOS ZOIS

CASUS BELLI

A FILM BY YORGOS ZOIS

All kinds of people are waiting
in seven different queues.

The first person of each queue
becomes the last of the next one,
thus creating an enormous human line.

But at the end of the line,
it all begins backwards again..

DIRECTOR'S NOTE

People standing in line; all in order.

Everyone is starving for something: products,
entertainment, religion, art, money.

But in the last queue they are all starving for... food.

It's the queue of personal survival.

If the food ends, then disorder begins.

And if one man falls, we all fall down.
